Reference for Glenda Harding of Harding Consultants

To whom it may concern

In July 6-8 this year Glenda Harding ran the 2WALKandCYCLE conference with her staff at the Rendezvous Hotel in Auckland City.

Our committee of 7 worked with Glenda from May 2015 to create this conference that exceeded our expectations.

Glenda works very well, is always adaptive to our ideas and puts them into the context of her vast experience of conference building.

I have worked with Glenda on 4 conferences in the past 16 years and have enjoyed her professionalism and can do manner throughout that time.

I will convene another in 2018 and I hope Glenda Harding has the time to work with me again.

Yours sincerely
